

The Watermelon Patch

Munching Melons, Cooking Party General Information:

Your party is a private event at The Watermelon Patch. You will have exclusive use of our center during your 2 hour party. Parents can drop off their children for this party or stay to watch if they prefer. Our Munching Melons Cooking Parties are divided into 4 equal parts. After playing, for the next 30 minutes the birthday child and guests will participate in the creation of pizzas or quesadillas. They will use your chosen toppings to make it to their individual liking and heat and eat them. For the next 30 minutes the birthday child and guests will be entertained in our Play Area with age appropriate games and play. **All guests are required to take off their shoes in the Play area.** For the last 30 minutes all guests reenter the Party room. The Birthday Child and invited guests participate in dessert creation using your chosen cookie or cupcakes and toppings. We will put a candle in the Birthday Child's dessert and sing Happy Birthday at this time. The children will also continue on to make Floats. We encourage our parents to take full advantage of our center by using the entire time in the party room for refreshments and suggest opening of gifts at home. If you request to open gifts at our center we will change our play time accordingly to make sure enough time is allotted for this activity.

You are always welcome to purchase extra time at our center to accommodate all of your pre-planned activities for \$50 per half hour. You will receive a PRE-PARTY call a few days prior to your party to finalize all details and answer any questions you may have, but feel free to call us anytime if you have questions!

What you should Bring:

For our Munching Melons Party, we provide everything needed to make your party complete. You can bring in drinks for adult guests or purchase them from us to accommodate those who stay. Due to our full party schedule, we do not have room or time to serve adult guests during this party anything besides drinks.

Arrival and Departure:

You may arrive no earlier than 10 minutes prior to your child's party and depart up to 10 minutes after your child's party. If this presents a problem in your particular circumstance, you may be able to purchase additional time at \$50 per half hour. Because parties are scheduled back-to-back, we cannot accommodate early arrivals or late departure. If you or your guests stay over 10 minutes in the center after the end of your scheduled party, you will be charged for an extra half hour.

Tips:

The Watermelon Patch does not require tipping of teachers or assistants. Our party staff works hard to try to make this a fun and memorable day, and always appreciate any extra compensation- if you feel our staff did an outstanding job please feel free to tip at your own discretion.

Refund Policy:

Parties cancelled more than 14 days in advance of your party date will receive a full refund of your deposit in the form of a credit towards Watermelon Patch services and/or merchandise. Parties cancelled 7-14 days in advance of your party date will receive a 50% refund of your deposit in the form of a credit. Parties cancelled *less* than 7 days in advance of your party date receive 0% deposit refund.
