

The Watermelon Patch

General Information:

Your party is a private event at The Watermelon Patch. You will have exclusive use of our center during your two hour party and will be catered to by a minimum of two Watermelon Patch Party Leaders. **All guests are required to take off their shoes in the Play area.** You are always welcome to purchase extra time at our center to accommodate all of your pre-planned activities for \$50 per half hour. If you have any children that will not participate in the activities, but still want to play you will only be charged the Open Play Fee of \$5 per child. You will receive a PRE-PARTY call a few days prior to your party to finalize all details and answer any questions you may have, but feel free to call us anytime if you have questions!

Animaland Stuff-A-Friend: Like all of our parties, your ANIMALAND party will be a private event. Each guest will get to pick an animal friend to stuff, name, dress and love. Children will enjoy organized play in our gym, while taking turns stuffing their animal with our gumball stuffer, with a foot pedal attached so your child plays a vital part in making their new friend. The party will be concluded with 30 minutes in our party room, where Watermelon Patch assistants will help you and your guest with refreshments and presents.

SCREEN ON THE GREEN: During your Movie Nite Party we will change some of our equipment to become comfortable seating. Parents are welcome to stay with their child during this event or drop them off. We will take the first 15-20 minutes to allow arrivals and set up all guests with drinks and popcorn. The movie will be shown on our screen with a front lens projector and broadcast in surround sound. We provide your chosen movie- but you are welcome to bring your child's favorite. Should the movie finish before the end of the party time- guests will be allowed to play in our play area until their parents arrive.

GIRLS JUST WANNA HAVE FUN: During your girls only Pajama Party, parents are welcome to stay or drop their child off for the event. They will start off with play and games in our play area until all guests have arrived. Then they will be treated to a fun nite of Make-Overs, Hair Styling and Nail Painting- with all supplies provided by us!

LITTLE MONET ART PARTY: During your party your guest will spend 30 minutes in our Party Room decorating a parachute for the birthday child to take home as a special souvenir and making a craft of your choice for each of them to take home as their own souvenir. They will spend another 30 minutes in the Play Room, with a Watermelon Patch Teacher for organized games and free play. To finish the party off, the last 30 minutes they will come back in to the Party Room for refreshments.

LASER TAG PARTY: During your Laser Tag Party at the Watermelon Patch your child(ren) and their guest will have 15 minutes of free play in our play area, then they will transition in to our party room where they will be "suited up" with their laser guns and instructions. They will spend the next 45 minutes playing laser tag in the play room which will be totally transformed with a fog machine, glow in the dark stars, strobe lights, and more. 30 minutes at the end of the party will be allowed for refreshments and present opening.

What you should Bring:

We provide drinks and food for the parties as mentioned above. You are welcome to bring in PIZZA, CHICKEN NUGGETS, CAKE or ICE CREAM. WE provide plates, napkins, forks, spoons, cake cutters, pizza slicers, & lighters. However, **don't forget the candles!** If you choose to serve ice cream we do have a freezer on site for storage during your party, but require ice cream to be in mini cups.

Arrival and Departure:

You may arrive no earlier than 10 minutes prior to your child's party and depart up to 10 minutes after your child's party. If this presents a problem in your particular circumstance, you may be able to purchase additional time at \$50 per half hour. If you or your guests stay over 10 minutes in the center after the end of your scheduled party, you will be charged for an extra half hour.

Tips:

The Watermelon Patch does not require tipping of teachers or assistants. Our party staff works hard to try to make this a fun and memorable day, and always appreciate any extra compensation- if you feel one of our staff did an outstanding job please feel free to tip at your own discretion.

Refund Policy:

Parties cancelled more than 14 days in advance of your party date will receive a full refund of your deposit in the form of a credit towards Watermelon Patch services and/or merchandise. Parties cancelled 7-14 days in advance of your party date will receive a 50% refund of your deposit in the form of a credit. Parties cancelled less than 7 days in advance of your party date receive 0% deposit refund.
