

# The Watermelon Patch

## General Information:

Your party is a private event at The Watermelon Patch. You will have exclusive use of our center during your party and you will be catered to Watermelon Patch Party Leaders & Assistants. **All guests are required to take off their shoes in the Play area.** You are always welcome to purchase extra time at our center to accommodate all of your pre-planned activities for \$50 per half hour. If you have any children that will not participate in the activities, but still want to play you will only be charged the Open Play Fee of \$5 per child. You will receive a PRE-PARTY call a few days prior to your party to finalize all details and answer any questions you may have, but feel free to call us anytime if you have questions! **Please note that you must tell us about a coupon or gift certificate prior to your party date or it can not be used.**

**ANIMALAND STUFF-A-FRIEND:** Each guest will choose an animal friend to stuff, name, love & dress (if chosen with your party package). Children will enjoy play in our gym, while taking turns stuffing their animal with our gumball stuffer. We have a foot pedal attached so your child plays a vital part in making their new friend. The party will be concluded with 30 minutes in our party room, where Watermelon Patch assistants will help you and your guest with refreshments and presents.

**SCREEN ON THE GREEN (SOTG):** During your Movie Nite Party, we will change some of our equipment to become comfortable seating. Parents are welcome to stay with their child during this event or drop them off. We will take the first 15-20 minutes to allow arrivals and set up all guests with drinks and popcorn. The movie will be shown on our screen with a front lens projector and broadcast in surround sound. We provide your chosen movie- but you are welcome to bring your child's favorite. Should the movie finish before the end of the party time- guests will be allowed to play in our play area until their parents arrive.

**GIRLS JUST WANNA HAVE FUN (GJWHF):** During your girls only Pajama Party, parents are welcome to stay or drop their child off for the event. They will start off with play and games in our play area until all guests have arrived. Then they will be treated to a fun nite of Make-Overs, and Hair Styling - with all supplies provided by us!

**LITTLE MONET ART PARTY:** During your party, your guests will spend 30 minutes in our Party Room decorating a parachute for the birthday child to take home as a special souvenir and making a craft of your choice for each of them to take home as their own souvenir. They will spend another 30 minutes in the Play Room, with a Watermelon Patch Teacher for organized games and free play. To finish the party off, the last 30 minutes they will come back in to the Party Room for refreshments.

## What you should Bring:

We *only* provide drinks and popcorn for our SOTG party as mentioned above. YOU provide food and drink for all other parties. We only allow CAKE, ICE CREAM (ONLY IN MINI CUPS!), CHIPS (WITHOUT DIP) & DRINKS to come in from the outside. You will be charged a \$25 food fee if you bring anything in besides the above listed food. You can purchase pizza from us - if you bring in your own pizza you will be charged the \$25 food fee. WE provide plates, napkins, spoons, forks, cake cutters, pizza slicers, & lighters. However, **don't forget the candles!** If you choose to serve ice cream we do have a freezer on site for storage during your party, but require ice cream to be in mini cups.

## Arrival and Departure:

You may arrive no earlier than 10 minutes prior to your child's party and depart up to 10 minutes after your child's party. If this presents a problem in your particular circumstance, you may be able to purchase additional time at \$50 per half hour. If you or your guests stay over 10 minutes in the center after the end of your scheduled party, you will be charged for an extra half hour.
